Virtual Public Workshop

Local Road Safety/Action Plan Updates for Mendocino County & Cities

The Mendocino Council of Governments (MCOG) has hired a consultant to update Local Road Safety/Action Plans for the County of Mendocino, and the cities of Fort Bragg, Point Arena, Ukiah, and Willits. These updated safety plans will enable local jurisdictions to enhance safety for all modes of transportation for all ages and abilities, and will aid in seeking state and federal grant funding to implement priority safety projects.

MCOG invites the public to a virtual public workshop on **Thursday, April 25, 2024 (6:00 p.m. – 7:30 p.m.)** to hear a presentation on the project and offer input. The presentation will cover Local Road Safety/Action Plan goals, preliminary collision analysis findings, high injury networks, and the project's online outreach platform.

For Zoom meeting access and additional information, visit the project website at <https://www.mendoroadsafetyplan.com/>. This project is funded with State grant funds provided by Caltrans.

Contact MCOG project manager Loretta Ellard at lellard@dbcteam.net or 707-234-3434 with any questions.
